

Brand Analysis: Jaypee Sports (Jaypee Sports Sales Pvt. Ltd., Ranchi)

TL;DR

- The brand described — a 40+ year sportswear/uniform/equipment manufacturer with the tagline “Quality Par Excellence” and a JP-monogram logo — is **Jaypee Sports Sales Pvt. Ltd. of Doranda, Ranchi, Jharkhand**, not the similarly named Thanjavur (Tamil Nadu) “JayPee Sports wear,” the Chennai shop, or the unrelated Jaypee Group / Jaypee Sports City conglomerate in Noida.
- Its confirmed Facebook page is **facebook.com/JaypeeSportsSalesPvtLtd** (“Jaypee Sports Sales Pvt. Ltd.”, 536 likes, bio “Manufacturer, An ISO 9001:2008 Certified”); Facebook the page’s individual posts/photos could not be retrieved because Facebook blocks automated access, so product imagery is corroborated through the company’s IndiaMART catalog instead.
- The brand authentically serves **cricket, football, basketball, volleyball, hockey, swimming and school athletics** in Jharkhand — so the website should feature these sports, school “house” T-shirts and team kits, plus its real credentials (2008 Jharkhand State SSI Award, ISO 9001:2008), but it should NOT borrow the Thanjavur company’s testimonials or client claims.

Key Findings

Confirmed identity. The business matching every detail in the brief — sportswear/uniform/equipment manufacturer, 40+ year history, institutional supplier across its state, “Quality Par Excellence” tagline — is **Jaypee Sports Sales Pvt. Ltd.**, located at Bharti Compound, South Kusai, Doranda, Ranchi, Jharkhand – 834002. ExportersIndia The exact tagline appears verbatim in the company’s own marketplace listing: “Quality par excellence with attractive designs has been the strictly followed custom of Jaypee sports sales pvt. Ltd.” ExportersIndia This is the decisive identifier.

Corporate facts. Per Zaubacorp/MCA records, Jaypee Sports Sales Private Limited (CIN U00265JH1997PTC007717) “is a Private company incorporated on 07 Dec 1997,” registered with the RoC Jharkhand, with authorized share capital ₹10,00,000 and paid-up capital ₹9,82,000 (last AGM 30 Dec 2023). Registered directors are **Pramod Kumar** and **Reeta Singh**; Zaubacorp the public-facing operational head is **Anand Kumar**, listed on

ExportersIndia as "Managing Director: Anand Kumar" at "Bharti Compound, South Kuasi, Doranda, Ranchi, Jharkhand - 834002." The company won a **State Award for Outstanding Performance (SSI Unit) 2008** — its own IndiaMART page states verbatim: "STATE AWARD FOR OUTSTANDING PERFORMANCE (SSI UNIT) YEAR 2008 His Excellency the Honorable Governor Shri Syed Sibte Razi giving away the Award - 26.11.08" (i.e., presented by then-Jharkhand Governor Syed Sibte Razi on 26 November 2008). It markets itself as ISO 9001:2008 certified.

Founding-year ambiguity. Sources disagree: the company's ExportersIndia profile states verbatim "Year of Establishment 1985" [exportersindia](#) (which supports the "40+ years" claim — ~41 years by 2026), while its own IndiaMART text says "manufacturers & exporters of all kinds of Sports wear since 1997," [ExportersIndia](#) matching the 1997 incorporation. The most likely reconciliation is that the brand began as a proprietorship around 1985 (consistent with the "started with four sewing tables" origin story) and was incorporated as a Pvt. Ltd. in 1997.

Online presence.

- **Facebook:** facebook.com/JaypeeSportsSalesPvtLtd (536 likes; "Manufacturer, An ISO 9001:2008 Certified"). [Facebook](#)
- **Website:** jaypeesports.in (live, built as a React single-page app; its /shop e-commerce section is still a "launching soon" placeholder). [Jaypeesports](#)
- **IndiaMART:** indiamart.com/jaypee-sports-sales-ranchi (full product catalog with real photos).
- **ExportersIndia:** exportersindia.com/jaypeesportssales (company profile, one customer review).
- No dedicated Instagram, Justdial, or Google Business listing for the Ranchi company was confirmed. The @jaypeesportswear Instagram (bio: "21K Followers... NISHANTH | JAYPEE SPORTS | Sportswear | Customized Jerseys... India's Best Cutomized Sportswear Brand," located "No. 7 Municipal Complex, Thanjavur – 613005") belongs to the unrelated Thanjavur business.

Disambiguation — critical for the redesign. At least three unrelated "Jaypee Sports" entities exist:

1. **Target:** Jaypee Sports Sales Pvt. Ltd., Ranchi, Jharkhand (jaypeesports.in).
2. **Unrelated:** "JayPee Sports wear" / jaypeesportswear.com / @jaypeesportswear (Instagram 21K) — a Thanjavur, Tamil Nadu business run by "Nishanth." [Facebook](#) Its testimonials (e.g., "PRIST University," "Government Higher Secondary School, Thanjavur") [JAYPEE SPORTS](#) and client claims must NOT be used for the Ranchi brand.

3. **Unrelated:** Jaypee Sports International Limited (CIN U74900UP2007PLC034078, incorporated 20 Oct 2007 at RoC-Kanpur, Sector-128 Noida; status "Amalgamated") — the Jaiprakash (Jaypee Group) conglomerate behind Jaypee Sports City and the Buddh International Circuit.

Details

Actual product range (from the Ranchi company's own IndiaMART catalog — the most reliable proxy for what they genuinely make and the imagery they use):

- **Apparel/uniforms:** Football Jersey Sets, Basketball Jersey Sets, Volleyball Jersey Sets, Cricket suits/whites, Hockey Dress, Track Suits (e.g., Polyester Black Dobby Sport Tracksuit ₹650), Men's Sports Polyester Jacket (₹750), sports lowers and track pants, Ladies Sport Shirts/T-shirts (₹150), Round Neck T-shirts & Vests "Sports Uniform," Women's Sports Shorts, Swimming Costumes, and **Schools House T-Shirts** (the red/blue/green/yellow "house" team shirts schools use for sports day).
- **Equipment:** Cricket Set (₹399), Cricket Stump, Short-Handle Kashmir Willow Tennis Cricket Bat (₹700), Nivia Europa Basketball (₹215), Golf Balls.
- This confirms the brand authentically spans **cricket, football, basketball, volleyball, hockey, swimming, athletics/track, and school PT/house sports** — for men, women and kids. ExportersIndia

Facebook content. The page's individual posts, photos, captions, colors and engagement could not be directly retrieved — Facebook blocks automated access and no cached/archived versions were indexed. The only confirmed page-level facts are the bio ("Manufacturer, An ISO 9001:2008 Certified") and 536 likes, Facebook indicating a small, locally focused following rather than a large consumer audience. The product photography that genuinely represents the brand is therefore best taken from its IndiaMART catalog images and in-store/manufacturing-unit photos.

Customer feedback. Verifiable reviews are scarce. The one ExportersIndia review is from reviewer "M.sivadas," dated 09 Feb 2025, on product "swimming costumes," rated 4.0/5, with the quote: "The company is involved in offering top notch products in the market at reasonable prices, keep up the good work." No aggregated Google/Justdial star rating for the Ranchi company was confirmed.

Clients. No specific named client schools, colleges, academies or teams for the Ranchi company appear in any public source. The company describes itself as a statewide institutional supplier ("Schools House T-Shirts... we have positioned ourselves in best sports wear manufacture in Ranchi, Jharkhand"), but actual client names are not published online and should be gathered directly from the owner (Anand Kumar) before being placed on a

documented, use "Established 1997 / incorporated as Pvt. Ltd." If verified client logos/permissions cannot be obtained, replace the "Clients" logo wall with categories ("Trusted by schools, academies and clubs across Jharkhand") plus the genuine awards.

Caveats

- **Facebook post content is unverified.** Facebook's anti-scraping protections prevented retrieval of the actual posts, photos, captions, colors and engagement metrics. Statements about the brand's visual style are inferred from its IndiaMART catalog, not the Facebook feed itself; the redesign team should manually review the live page.
- **Name confusion is the biggest risk.** The Thanjavur "JayPee Sports wear" (jaypeesportswear.com, @jaypeesportswear) is a different company; its testimonials, "India's Best" claims, and client lists are not transferable to the Ranchi brand.
- **Founding year is genuinely ambiguous** (1985 per ExportersIndia vs. 1997 incorporation/IndiaMART). Verify with the owner.
- **No public client list exists** for the Ranchi company; the "Clients" section must be populated from first-party information.
- Some firmographic self-reported figures conflict across directories (employee count "Upto 10" on IndiaMART  vs "21–50" on ExportersIndia; turnover "1.5–5 Cr" on IndiaMART vs "Below Rs. 0.5 Crore Approx." on ExportersIndia), so treat directory stats as indicative only.
